Graduate students are required to take the GWCT during the first semester of enrollwoment. T opportunities during each semestore study will be given to pass the GWCT. A passing score report must be in your Graduate School file before you can register for a seconstructer.

The only exemptions from the GWCT are: scaledre of **3**5 or above on the MAT; score of 450 or above on the verbal portion of the GRE; or a 3.5 onntally tacal writing portion of the GRE; or a 450 or above on the GM; Adr a passing score on the ASU BWCT. Documentation must be provided.

The GWCT requires you to written essay of approximately 600 words. Grading will focus specifically on clear organization, support statements and mechanics (grammar, spelling, punctuation and correct language).

Any student requiring alternative formats for testing, or other types of accommodations, due to a documented disability should advise the Dean of the Graduate School at least one week prior to the registration deadline.
